STRATEGIES

NONPROFIT SUITE OF SOLUTIONS: DONORLYNK

EDUCATION SIMPLIFIED

WHERE SIMPLICITY
AND EFFICIENCY MEET

**360 DEGREE VIEW. ADVANCE THE MISSION. INCREASE PARTICIPATION.
ENHANCE RELATIONSHIPS. ENSURE INVESTMENT.**

DONOR MANAGEMENT

- Automate your strategy, manage actions, collaborate with staff, track campaigns and the acknowledgement process
- Establish and track procedures for data and gift entry
- Track donations by automating gift acceptance, recognition, and investment policies
- Automate and customize reporting for various administrative groups
- Research and analyze data to increase donations and donor relations

VOLUNTEER MANAGEMENT

- Build and manage volunteer jobs throughout all school organizations in one central solution
- Create volunteer profiles based on time, talents, and resources
- Track service hours for students and families
- Enhance the volunteer experience by matching talents and resources to the needs of your school
- Automate the process from sign-up to thank you

ONLINE GIVING

- Sync data from online giving to populate into donor or constituent profiles
- Customize and automate reporting
- Supervise all of your fundraising events and actions
- Create, execute, and manage the event registration process

WEB INTEGRATION AND DATA MIGRATION

- Measure student success in one place by integrating your testing systems in a data management solution
- Track prospective students and families within your admissions software and have that feed into your solution
- Create a central hub for all student information databases
- Simplify reporting on students, families, alumni, donors, and volunteers
