

ENHANCE THE VOLUNTEER EXPERIENCE, FROM SIGN UP TO THANK YOU

SIGN UP

- Direct your volunteers to choose from a calendar view of opportunities on your website
- Accompany these opportunities with simple registration forms
- Include electronic waivers or release forms to complete

SYNC UP

- Complete online volunteer registration and send them, in real time, to your CRM
- Send release forms or waivers directly to your CRM
- Update CRM records with current volunteer counts through a volunteer job calendar sync
- Keep track of volunteer attendance with live check in
- Collect follow up survey responses that then populate the CRM with volunteer feedback

SHOW UP

- Schedule timed email reminders for the upcoming opportunity
- Check in volunteers through a mobile form at the site of the volunteer event
- Confirm volunteer attendance with a two click form on a tablet at the event

SAY THANKS

- Trigger automatic follow up emails to send to all volunteers
- Send surveys to volunteers to track feedback within your CRM
- Customize a positive volunteer experience that makes saying thanks easy
